## **HEANIUM Wire Drawing and Annealing Guides**

We maintain a large inventory of (OEM) parts for most wire manufacturing equipment. Each Heanium component is formulated to ensure optimum performance in high-temperature and corrosive environments. Additional standard and custom parts are available. Contact our **technical sales** department for more information.

Standard tolerances on all dimensions are  $\pm$ .010 inch or  $\pm$ 1.5%, whichever is greater. Diamond grind and/or hone to  $\pm$ .0005 inches is available.
